DESCRIPTION OF PROPOSED WORKS
It is the plan to construct reservoir at well and conduct water
state manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water, from reservoir to land in suitable ditch or flume.
is to be stored in reservoirs it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions.
5. Estimated cost of works About \$1000.00
6. Estimated time required to construct works about one year
Remarks Water from this well has been flowing to waste for years.
and so dar as I know, no one is now claiming such water.
